

The show is officially open!

The moment the industry has been waiting for has arrived, with Harrogate Christmas & Gift opening its doors at 9.00am today. From the moment visitors stepped into the halls, the atmosphere was unmistakable.

As always, the exhibition stands are truly impressive, creating a vibrant festive buzz that brings the show to life. Buyers are already discovering an exceptional range of innovative and inspiring products, guaranteed to delight across Christmas, gifting, home and garden, and even Halloween.

If your business is centred on seasonal or year-round gifting, this is a show not to be missed. There are still three days to attend, with halls open from 9.00am–6.00pm tomorrow and Tuesday, and 9.00am–4.00pm on Wednesday.

And don't forget the FREE drinks party taking place straight after the show tomorrow (Monday) in the Royal Hall. Everyone is welcome — we look forward to seeing you there!
