

## Great rates for Harrogate accommodation

Harrogate is a popular tourist destination, particularly at Christmas and New Year with people flocking to see the beautiful festive lights and enjoy a traditional British atmosphere. Because of this, visitors attending Harrogate Christmas & Gift are advised to book accommodation early. The show's official partner Mice Concierge has secured some fabulous rates at many of Harrogate's favourite hotels, so if you haven't already booked your accommodation [CLICK HERE](#) for more information.

It's just seven weeks until the show!

## Straits move to a new Location in Hall G

As a leading supplier of Christmas home and giftware, Straits is always looking towards the next magical festive period. Its collection for Christmas 2026 is set to be its greatest festive range ever with the number of products in the range increasing by over 30%.

More products, more variety, more sparkle, and even more of the ranges your customers love.

With our new bumper Christmas collection in mind, Straits has decided to move to a bigger stand. This new stand will be situated in Hall G. It's almost double the size of the company's previous stand, which will help it to showcase its fabulous 2026 Christmas collection.

Straits supply everything from delicate festive figurines to large trees. Its light-up decorations, ornaments and glitter water spinners are some of its best-selling Christmas products.

## Foaming fragrance

The English Soap Company is delighted to unveil its new foaming hand washes, launching as part of its celebrated Anniversary Collection. Designed to bring a touch of everyday indulgence, they transform daily routines into moments of luxury. Crafted with care and sustainability in mind, each wash creates a soft, airy lather that gently cleanses while leaving skin refreshed and delicately scented. Available in The English Soap Company's most loved Anniversary fragrances, these foaming washes complement its soaps and creams beautifully, offering retailers an elegant, cohesive, and gift-ready collection that enhances any bathroom or wash space.

## Christmas collectibles

Lemax is a worldwide leader in collectible Christmas and Halloween villages. Since 1990, its mission has been to bring the magic of the season into homes across the globe. What began with a modest range of illuminated buildings has grown into a collection of thousands of pieces, from detailed lighted houses to animated scenes full of lights, movements, and music. Collectors worldwide have discovered the fun and fulfillment of creating their own Lemax Village at home. Each piece is designed with great attention to detail and crafted to combine quality, creativity, and affordability. Discover the new 2026 Collection at Harrogate Christmas & Gift.
