

Season's Greetings

The big day is almost upon us and before we don our Christmas hats and put our feet up with a glass of sherry and a mince pie, the Harrogate Christmas & Gift team would like to wish exhibitors and visitors a very happy and healthy festive break and we look forward to seeing you all at the show on 16th January 2022.

Wider range

Last year's sell out Christmas Market range by Sifcon International (SIL) returns with an updated design and broader range for 2022. The carved wooden market scenes return as tea light and candle holders, table centre pieces and even advent calendars. There is also a larger range of home fragrance gift sets and, not forgetting your own home, an extensive range of Christmas wreaths and fireplace garlands.

Missus Christmas

Allegedly, behind every successful Santa, there is a good woman, and at last, Missus Christmas is coming to town in her very own show. Quirky, cute and unusual decorations that give Christmas retailers an opportunity to bring a point of difference and a new brand name to market. All it takes is a good woman!
