

Nature and realism

Norfolk Leisure's collection 'BOSK', which translates to 'a small, wooded area', signifies a commitment to capturing nature and realism within its trees. Along with a stunning range of decorative wreaths, garlands, and lit characters. All crafted with the finest materials and innovative designs. Launching at Harrogate Christmas & Gift for 2026 is a new vibrant range of autumnal wreaths and garlands. Available in lit and un-lit, the collection is filled with rich colours of Autumn and embellished with realistic decorations.

Discover the BOSK Collection with its existing best sellers, and exciting Christmas newness. Brought to you by Norfolk Leisure.
