

## Gearing up for Christmas

With Halloween and bonfire night behind us – Christmas is now the focus of society with the majority of major supermarkets competing for the most imaginative TV advert of the year. There is focus on the cost of living crisis and how Christmas can still be a special celebration without breaking the bank.

Retailers can be sure to be in the know about what will be trending for Christmas 2023 when attending Harrogate Christmas & Gift. If you haven't already, be sure to register and don't forget to pass this newsletter to new industry colleagues who may not be familiar with the event.

## Cracked it

RSW International has become synonymous with Christmas and has helped bring dinner parties to life with exquisite crackers, accessories and tabletop decorations for over 34 years.

Continuing its commitment to environmentally conscious products, the company has extended its eco collection for 2023, helping customers to reduce, re-use and recycle more with its new ranges of crackers, gift bags, roll wrap and cards. The Green Christmas range of 100% recyclable crackers and contents with eco-friendly gifts will add natural style and elegance to any table.
