

Still time to visit

With just a day until Harrogate Christmas & Gift closes its doors for another year, visitors attending the show have expressed delight at the quality and diversity of products on display and have left happy in the knowledge that they have Christmas 2019 well on the way to being wrapped up.

Whether you are looking for Christmas decorations, trees and lights; houseware and ornaments; Halloween or even garden products, the show promises to tick most boxes. If you are attending today, don't miss Hall Q which has some exciting new exhibitors with everything from greetings cards and Christmas toys and jumpers to cupcakes and chocolate.

A few best-sellers at the show this year include novelty tree ornaments from Puckator (stand B4); beautiful wooden quote plaques from Royal County Products (stand C2), delightful pink and grey characters from Smart Garden Products (stand Q1), cute snowmen and Christmas dogs from Blue Roo Imports (stand Q11), delicious flavoured fudge from Calico Cottage (stand Q21) and chocolate gift bars from Gwynedd Confectionery (stand Q72)

Today is the last day of the show, so if you plan to make a last-minute visit there is still plenty to see – the doors are open from 9am to 4pm.
