

Press release – for immediate release

5<sup>th</sup> January 2022

## The show goes on ...

With Christmas 2021 behind us, the UK's festive and gift industry can start planning for 2022 celebrations with the first port of call, **Harrogate Christmas & Gift** which takes place from 16<sup>th</sup> to 19<sup>th</sup> January 2022 at the Harrogate Convention Centre.

In line with current government Covid advice, the show organisers have put into place necessary precautions to ensure the safety and wellbeing of everyone participating. This includes everyone attending being required to have either: an NHS Covid Pass; **or** an approved international equivalent Covid pass; **or** a negative test result from a PCR or a lateral flow test taken within 48 hours. Hand sanitisers will be located throughout the show and the wearing of face masks will be mandatory.

Simon Anslow, show organiser, comments: "We are now in Harrogate preparing for show build up, with exhibitors already arriving on site with some fabulous new products to present. There is a real buzz of excitement as it is now two years since our last event and companies are looking forward to being able to meet their customers face-to-face once again. We look forward to welcoming everyone in two weeks' time."
