

# What another great show!

Today marked the final day of Harrogate Christmas & Gift and what another great show it's been. Despite the cold snap and fluttering of snow at the beginning of the week, visitors and buyers turned up to see the best of what the industry has to offer and many seemed impressed with the product launches for 2025.

Kerry Brassil of Listowell Garden Centre of Co. Kerry, Ireland, commented: "It's been a great show and we've placed lots of orders. I have loved seeing more the unusual colour mixes this year such as pinks with purple, blues with brown – it's so nice to see so many bold and retro shades put together."

The organising team would like to thank everyone in the industry, both exhibitors and visitors alike for attending the show and joining its 75<sup>th</sup> anniversary celebrations.

Simon Anslow, show organiser, said: "I feel privileged to work in such a friendly industry. It has been fantastic to see so many returning exhibitors and buyers and having the chance to network and meet with industry colleagues who have been attending the show for decades. We look forward to welcoming everyone back in 2026!"

Harrogate Christmas & Gift will take place at the Harrogate Convention Centre from Sunday 11<sup>th</sup> to Wednesday 14<sup>th</sup> January 2026.
