

Get the new year started ...

Happy New Year to one and all and wishing everyone in the industry a very prosperous 2025. If your plans start with ensuring you have the best 'must-have' Christmas products to tempt your customers next winter, then Harrogate Christmas & Gift is your first port of call. With just over a week until the show opens its doors on Sunday 12th January – if you haven't already – be sure to register online at harrogatefair.com for free entry. You can also find all show information on the website including an exhibitor list and concierge details if you are still seeing accommodation during your visit.

Perfect gifts

See Lesser & Pavey and order from a fantastic selection of brand new Christmas ranges. The company is a leading UK trade supplier of homeware and giftware including seasonal products like home accessories, fragrances and glassware. There's a superb choice including ranges exclusively licensed like Christmas Robin housewares by The Macneil Studio, Winter Wonderland gifts for little ones by Finola Stack and Highland Cow kitchenwares and tablewares by Jennifer Rose. Plus there's LED light-up ornaments, musical LED Torches, Novelty Mugs featuring festive sentiments and much more, making the perfect gifts for Christmas 2025.

Pooch perfect

Introducing the perfect Christmas treat for faithful four legged friends - a personalised squeaky dog toy shaped like a festive Christmas pudding! With popular names like Luna and Max, breeds such as Pug and Staffy, and fun phrases like 'I Woof Christmas' embroidered in striking black thread, there's a toy for every dog. Made from soft yet durable fabric, each toy is double-hemmed for extra toughness and features a sturdy rope handle. The ideal gift to hide under the tree, these cute squeaky toys are sure to bring festive fun to any Christmas morning.
