

Bigger than ever

Harrogate Christmas & Gift is the UK's only trade show dedicated specifically to festive products from trees and garlands, decorations and cards, to home décor and gifts for all occasions. If you are a retailer or buyer seeking exciting new products for Christmas 2024 – this is your opportunity to get your purchases wrapped up in one convenient event.

The show is already 25% bigger than the 2023 fair with over 100 exhibitors and of these 30 are new. Don't miss eight halls of the Harrogate Convention Centre packed to bursting with the latest innovations.

Family traditions

We Love Seasons is an independent seasonal décor brand that aims to seamlessly blend Danish 'hygge' and British traditions into seasonal decorations and gifts. Its decorations are crafted for year-after-year use, becoming cherished family heirlooms that reflect our commitment to the environment. The company takes great pride in safeguarding traditions with family and friends, one exquisitely crafted decoration at a time.

We Love Seasons offers hand-picked Easter, Valentines, Halloween and Christmas seasonal celebratory items,

with many of the products designed by its founder Malene. The inspiration behind the brand comes from her family tradition of natural seasonal home décor from her childhood growing up in Denmark.
