

## Prepare to be amazed

The ingenuity and innovative nature of products launched Harrogate Christmas & Gift each year never fails to amaze. Even if you attend every single year and think you have seen it all, you are guaranteed to be blown away by numerous exciting new product launches. This is why the show is so popular with a diverse range of buyers from garden centres, heritage centres and tourist attractions to independent retailers and department stores. There is absolutely something for everyone – but don't take our word for it. See a snippet of some of the exciting new products to see at the show – and don't forget to register online for free entry at [www.harrogatefair.com](http://www.harrogatefair.com)

### Body positive

Promising to bring a smile to your customers is Hairy Fairy Gifts which will be introducing its exclusive line of body-positive Fat Fairies – each hand crafted with charm and personality. From whimsical ornaments to cheerful tabletop pieces, the entire collection will add colour and a touch of humour to your displays.
