

## Wishing you Christmas cheer!

It's finally almost here – the day we've all been waiting for. With your Brussels sprouts on boil and the Turkey well and truly basted; The Harrogate Christmas & Gift teams hopes that you can enjoy the chance to put your feet up and enjoy some quality family time.

It's only two and a half weeks until Harrogate Christmas & Gift and we are sure that work is far from you mind – however, if you haven't already registered for the show, don't forget to do so. There are some amazing new companies to see in 2016 – with brand new product launches to really get excited about! [www.harrogatefair.com](http://www.harrogatefair.com)

### Pick 'n' mix trees

Showcasing over 250 products, Gardman's 2016 Christmas range sees fantastic additions to its lighting, doormat and decorative categories. The company's decorative festive range is showcased in four beautiful collections; Red Berry, Rustic Rattan, Sparkling Silver and Novelty. Each collection includes a variety of baubles, festive cushions and pre-lit decorations, perfect for creating a great Christmas offering. Also launching a brand new range of 50 artificial trees – customers can pick 'n' mix from a choice of standard, premium and luxury styles to create a mixed container of any combination .

## Boxed treats

MIC is really excited to be expanding its extremely cute novelty packaging range. This fun and jolly range is ideal for packaging sweets and treats, or just as popular as gift boxes for table presents and

little gifts. Each tray of 12 boxes has a mix of fabric Snowman and Santa heads, with a great selection of designs, colours and finishes to choose from for 2016. The company is also bringing for the first time an advent calendar range, including advent boxes, advent garlands & advent felt decorations. Please do come along to see an exclusive preview of this range.
